

# DISCLOSURE

Dear customer,

“ You have agreed to pay a one-time \$350 non-refundable legal fee for up to a one hour phone or office consultation with Tallahassee attorney Reggie Garcia.

The Consultation includes only a discussion regarding your eligibility and the anticipated viability of your potential state executive clemency or parole case.

It specifically does not include advocacy for any existing or potential application itself on the merits, or any other legal proceeding. The one hour phone or office consultation does not obligate Mr. Garcia to take your case or take any further action. If legal representation is agreed to by both parties, it would be the subject of a separate written agreement under different terms. “
